### **JURISDICTION**

4. The Court is given original jurisdiction over this controversy between the royal sovereign heir and the States under Article III, § 2, cl. 2 of the Constitution of the United States and 28 U.S.C. § 1251(a).

### **STATEMENT OF THE CASE**

5. On November 19, 2019, agents working on behalf of Commonwealth of Virginia in the Loudoun County district, by and through agents for the Sheriffs Department, Commissioners Office and the States Attorney's Office carried out treason, human trafficking and securities *fraud*, by organizing an abduction of a royal heir, queen naja, detained the living woman's body for (51) days, in Loudoun County Virginia while sexual assault, human torture rituals practiced and attempted murder ensued by several agents, and trespassing on the securities company NAJA TALIBAH ZAHIR-4661, charging the estate with unlawful charges, antitrust violations,

securities *fraud*, trading bonds and securities without consent and creating a false identity NAJA, QUEEN at Loudoun General District Court, 18 East Market Street, Leesburg, Virginia, Cases number: GC20000148-00, GC19006176-00, GC19006177-00, GC19006182-00. During the (51) days of abduction Governor Ralph Northam was notified and refused to respond.

On or around January 6, 2020, all charges by the *state* against NAJA TALIBAH ZAHIR, was nolle prosequi (*abandoned*) and queen naja was released from the abduction and immediately transferred to agents of the State of Maryland for further human trafficking and criminal activity across state lines by agent James Mountcastle, Anne Arundel County police detective and his police chief, commissioners, and State's Attorney, Anne Colt Leites, and her Assistant States Attorneys, at Anne Arundel County District Court, 251 Rowe Blvd, Annapolis, Maryland, case number: D-02-CR-20-012060 whereby, queen naja was trafficked from Anne Arundel County and after about (8) days trafficked to Prince Georges County Maryland for (51) days of more sexual assault and attempted murder by agents for the State of Maryland, agents, Aisha N. Braveboy, Brian Charles Denton, Derreck Claggett, Commissioner and several other agents trespassed on the securities company, NAJA TALIBAH ZAHIR, extorting monies, and fraudulently demanding "cash" bail for release of the body and securities *fraud*, antitrust violations, and trading bonds on the stock market without consent by way of District Court of Maryland For Prince Georges County case number ,1T00JJ3, 1T10JJ3, 1T20JJ3 et al and the Circuit Court for Prince Georges County case number CJ200216. On

February 29, 2020, the body of queen naja was released by order of Judge Brian Charles Denton upon him mentioning in the courtroom, “I think she has learned her lesson”. The urgency for this case to be decided is imperative because each day that passes people are being injured by the agents of the states, families are being torn apart and destroyed by the human traffickers failing to act or delaying action is sending a message to the states that is activity is honorable and the people don’t matter.

### **STATEMENT OF FACTS**

This complaint has been presented to the attorney general and governor for each state involved and the public officials have refused to respond or refute. There are current liens that have not been satisfied against agents acting on behalf of each state. The agents are violating the public trust and abusing the trust using the purported “sovereignty” of the state- “an artificial person” as a cover for criminal activity causing injury to the people. The royal heir an *origine* – child of the Almighty God, queen naja’s inalienable rights to the land have been violated, and her body has been abused by agents of the Commonwealth of Virginia and State of Maryland. The agents of the state’s have injured an entire family trust and nation by abducting the queen for that nation for (110) days and constant threats and solicitations for body abduction have been received. There is no excuse for failure to respond to these claims and the state agents have acquiesce, in violation of the 42 Divine Laws of Maat.

Unauthorized agents/ trustees have been acting in bad faith, trespassing on the estate, using its name, creating fraudulent contracts and securities and usury of the securities number XXX-XX-4661 of the estate, using it with no authority for the holder in due course, creating alias names for the estate and several other crimes. These actions are causing injuries to the people, beneficiaries and the heirs of the nation. Equitable solutions and reciprocity OUGHT be given for all security interest for all Cestui Que Vie trusts of the agents operating unlawfully on the land.

### **CLAIMS FOR RELIEF**

Relief is sought in equity wherefore, pursuant to Canon of Positive Laws, the Governor or assigned fiduciary for each state, Commonwealth of Virginia and State of Maryland, involved in the injuries shall liquidate, dissolve and transfer the assets/equity for ALL abandoned Cestui Que Vie trusts (estate) residing in the state and provide a forensic audit (accounting) for each trust to the Royal Heirs Bank & Trust and transfer ALL abandoned public land to the Royal Heirs Bank & Trust. Furthermore, all public officials acting in bad faith shall be removed immediately from office to prevent further injury to the people and charged with treason, human trafficking and *fraud*, and since to public officials have abandoned the public trust in bad faith, the final approval for a newly elected governor shall be appointed by the royal court for Shaykamaxum Republic Tribal Nation upon an official vote by the

people. Finally, this honorable court is moved to honor the Warrant for Arrest of Property whereby equity is returned to the heirs.
